Lunch in Winery

If you are looking for a more simple dining experience, book a light lunch and wine tasting for an experience like no other. If you have a special love for all that is Italian, Tenuta Torciano Winery is ideal for you. Located at the entrance to the Chianti Valley in Tuscany, the property is approximately 35 minutes from Florence and 30 minutes from Siena.

You will spend hours alongside our wonderful staff and family at Tenuta Torciano witnessing our great passion for the wines. In fact, the winery is host to many seminars and educational opportunities where visitors have the opportunity to spend as much time as they would like to fully experience and learn about the wine, land, culture and climate that is Tuscany. During the winter months, guests will be welcomed into a private room, indoor setting with a fireplace to enjoy our reserve wines served with cold meats, artisan cheeses, and our signature bruschetta drizzled with cold-pressed olive oil and encompassing all of the natural aromas and flavors of nature. In the winter, please call +39 0577 950055 for availability.

During the spring and summer seasons, lunch and wine pairings will be served outside and in the presence of the magical, rounded hills of Tuscany that reveal countless vineyards, olive groves, and forestry. Upon arrival the guests are greeted by their host in our Welcome Center for a brief walking tour of this historic property.
